

# THE TRUMP

The Democratic people's republic of North Korea

- They have a magic leader who does not defecate.
- Most of our population is starving because they are failing to use Kim's teachings but is way better of than any other country.
- The Korean race is the purest race.
- South Korea is full of American's shooting children.
- The soviet union gave them a nuclear reactor so they can make their own nukes.

Fun Fact: Trump's Face is already as orange as a pumpkin
